

# INSPIROLOGOS PUBLISHING AUTHOR

## *Christian Living*

### **Her upcoming book**

Joy Isa is working on a faith-based book aimed at inspiring teens and young adults to maximize the medium of chatting in dealing with challenges they face. In today's technology-addicted world where young people seem to socialize more virtually than physically, the book is sure to inspire.

### **Follow her blog**

A prolific writer, Dr. Joy Isa inspires people around the world with her insightful articles. Her blog, [LovingGodBlogs](#), boasts thought-provoking writing that communicates the heart of God's desires for His beautiful sons and daughters.

## **DR. JOY ISA, EdD CMC**

Joy Isa is an experienced educator, management consultant, youth counselor, author, and speaker. She holds a Master of Science in Multidisciplinary Studies from Buffalo State University and a Doctorate in Education, from Walden University, with specialisms in Curriculum, Instruction and Assessment. A fellow of the Nigerian Institute of Management Consultants she has, for over two decades, contributed to developing education in Africa. She currently serves as President of the Isa School of Education (ISED).

Dr. Isa passionately supports young people through varied challenges ranging from inclusion needs in mainstream schools, to educational and vocational issues, emotional issues, relational issues, family issues, sexual issues, and dealing with abuse.
